

Welcome Football Cheerleaders!

Girls ages 7-14

***** ONE FEE COVERS EVERYTHING *****

*** Uniform Rental * Sneakers * Crop Top * Bloomers * Socks * Hair Bow ***

This program is open to any girl who wishes to cheer. Practices begin with a camp over the summer (information will be available in Mid May as to dates and times). The regular Mandatory practices begin on Aug. 3rd with 4 day a week practices for 3 weeks. Practices are Monday-Thursday from 6-8pm weather permitting. Practices will continue through the Month of Sept. once a week in addition to 1&1/2 hour practices prior to game time.

Girls are expected to come to practice in cotton stretch shorts, t-shirts, and sneakers. All girls must have their hair in a pony tail or if too short fastened away from their face. All girls are to bring a water bottle to practice. If girls are not appropriately dressed they will be returned to their parent and will not be able to participate at that day's practice.

This squad cheers during the home and away games of the C Squad football team. Games can be either Sat. or Sunday and the total time a cheerleader spends those days with her squad is typically 3 hours. The football season runs through the end of October unless we make the play-offs and then the season extends into November.

This group, although not a competition squad, will exhibit during the EBC Cheerleading Competition held either the first or second Saturday in Nov. At that time we will also need parent volunteers to help run various stations during the competition.

The season will end with a party at the Community Center. At that time all vests and skirts must be returned. All other items are the cheerleaders to keep.

We will need two team Moms for this squad to assist the coaches with things like organizing snack and drinks for games, getting sign-ups for the concession stand, and fundraiser hand outs. Any mother interested please let us know as soon as possible. We are also looking for an additional two volunteers to commit to assisting at practices. These two parents would need to fill out our volunteer form and would attend coaches meetings.
