

**Welcome to our Competition Program**  
**ALL GIRLS WHO CHEER FOR EBC MUST ALSO**  
**PARTICIPATE IN THE FOOTBALL PROGRAM**

This program is by selection only. Girls will be evaluated May 11, 12, and 13. Girls must attend these dates to be considered for the competition squads. Location for this will be announced by May 1<sup>st</sup>.

Some things to consider:

- All practices for girls on competition squads are MANDATORY.
- Practices start on August 3<sup>rd</sup> and are 3 days a week over the summer for the Rink Squad for 1&1/2 hours. For the Pony and Midget Squads practices are 4 days a week (Mon-Thurs) for 2 hours. Starting the first week of school the Rink Squad will go to two day a week practices and the Pony and Midget Squads will have 3 day a week practices.
- Girls must attend all competitions.
- Girls who miss 3 practices may be removed from the competition squad. No refunds will be given.
- Parents are responsible to get girls to practices on time and pick them up on time. Repeated lateness will be cause for a warning and possible removal from the competition program.
- Warnings may be verbal or written depending on the circumstance (younger girls will receive written older girls verbal). Girls with three warnings may be removed from the competition program.
- If we feel there are not enough girls in an age group to have a competition squad, we will instead make the squad a football only squad.
- You may schedule a time to talk with the Commissioners about the placement of your daughter however all decisions are final and will not be reversed.
- Competition season continues to the end of November.
