GEARS Update / Facilities Report: Spencer has been going to the Football Booster Club meetings for the High School. It appears as if the High School Football program would like to start to intertwine together to better prepare the kids for when they get to the High School level. There is talk about the EBC being invited to the "Meet the Players" event.

Cheerleading: There are about 80 registrants signed up currently. The process of finalizing coaches is underway.

Baseball: No Report

Wrestling: The coaches have received their shirts. Next year the age groups will be split into the following; K-2nd Grade, 3rd-4th Grades and 5th-6th Grades. This should help ease the stress of the coaches and allow smaller groups which should lead to better instruction.

Football: The Stevens Tech. College Football Clinic has been scheduled. This program should be advertised at every chance to get the awareness out there. Brian will hold a coaches meeting on June 23 beginning at 7pm. The Red Rose League's 2008 Football Schedule has been released. Non-contact football practices will start the week of August 4th.

Fundraising: The football fundraiser is scheduled and the information packets will be handed out on August 11th. Money and orders will be due by August 26th and pickup will be on September 30th. The fundraiser organizer is asking that we add what the fundraiser proceeds will help support. That will be added to the order sheet. The Chicken Barbeque is scheduled for Monday, May 26th which is Memorial Day. All the money and tickets will be handed in by May 19th.
