

## **Elizabethtown Boys Club Board Meeting January 14, 2009**

**Attendees:** S. Heisey, T. Lonardi, B. Schoenberger, B. Cook, P. Rehrer, R. Garber

**Previous Meeting Minutes Reviewed:** The minutes were read from the December 2008 Meeting and the motion to accept the minutes was first and seconded.

**Treasurer's Report:** The Treasurer's Report was read and the motion to accept the report was first and seconded.

**GEARS/Facilities/High School:** The temporary snow fence was taken down the same week that Joyce sent the email to have it removed. Thank you to Brian Schoenberger and his family who removed the snow fence. The screen door for the concessions stand has arrived and needs to be installed once warmer weather returns. GEARS is holding a field meeting on February 24, 2009.

**Cheerleading:** Equipment return was held last night, January 13.

**Baseball:** There are about 30 kids registered already for the 2009 season. Signups began on January 2 online and on January 3 for in-person registration. There was a mix-up with the Rotary sign at Giant as they booked two signs to display at the same time. The baseball program does not expect any new equipment needs this season.

**Wrestling:** There were about 25 kids participating in the first wrestling tournament. The season is progressing nicely. The fundraising sub sale is upcoming (see fundraising section for more details).

**Football:** The Red Rose League (RRL) is holding a league meeting on January 25. Brian said that he will be pushing the league to accept the change in our uniform colors as we want to switch our colors to match those of the Elizabethtown Area High School. There was a Quarterback Club program held in December. Football Practices are as follows; Conditioning Practices will be held on August 3, 5, and 7 and Regular Practices to begin on August 10.

**Fundraising:** Teresa has been talking to Terry and has decided to extend the dates originally slated for the sub sale. Orders and money are due on February 10 and the sub pickup will be held on February 18 between 5pm-6pm in the High School Lobby. The last meeting for Bowl-A-Rama will be held on January 21 at GEARS. Top prize for the Bowl-A-Rama is a 32" Flat Screen TV. Other prizes will be distributed via a raffle as those who raised money get 1 ticket for every \$50 raised. You may win up to 2 prizes total unless you are the Grand Prize Winner in which you only receive the Grand Prize. The 2009 Baseball season fundraiser is still being planned.

**Website/Media Update:** Please keep sending me updates for the website so that the information is posted and the content is fresh and up to date.

**Unfinished Business:** No Report

**New Business:** No Report

**Meeting Adjourned**
